DESPATCHED 8 - DEC. 1930

THE HON'BLE THE RESIDENT IN MYSORE

No. 5 Dated Bangalore, 7th January 1931.

NOTIFICATION.

In exercise of the powers conferred by sub-section (1) and clause (h) of sub-section 2 of section 37 of the Indian Factories Act, 1911, as amended and as applied to the Civil and Military Station of Bangalore, the Hon'ble the Resident in Mysore is pleased to make the following amendments to Rules 66, 24 and 25 of the Bangalore Civil and Military Station Factories (Amended) Rules, 1924, published in his Notification No. 9, dated Bangalore, the 25th January, 1924, as subsequently amended:-

AMENDMENTS.

To rule 66 of the said rules the following proviso shall be added:-

"Provided that, where in the opinion of the Inspector a muster roll or register kept in a factory gives the particulars required under this rule, he may, for reasons to be recorded in writing, direct that such muster roll or register shall be kept in place of the muster roll prescribed under this rule and such muster roll or register shall, thereupon, for the purposes of this rule, be deemed to be the muster roll so prescribed".

Substitute the following for Rule 24 of the said rules:-

"The occupier of every factory ~~xx~~ shall provide latrines of a design approved by the Health Officer within the precincts of the factory in an accessible place detached from ~~xxxx~~ the other factory buildings. If females are employed, separate latrines screened from those for males and marked in the vernacular in conspicuous letters "For Women only". shall be provided. Those for the males shall be similarly marked "For Men only". The accommodation for both males and females shall be on such a scale as may be laid down by

the

the Municipal authority provided that it shall not in any case fall short of the following scale:-

Flush-out system of latrines.

A. Males - If separate urinals are provided.

(i) in the case of factories where the number of operatives is not more than 100, one seat for every 25 operatives or fraction thereof.

(ii) in the case of factories where the number of operatives is more than 100 one seat for every 25 for the first 100 operatives and one seat for every forty thereafter or fraction thereof.

If separate urinals are not provided, a flat scale of one seat for every 25 operatives or fraction thereof.

B. Females - One seat for every 25 operatives or fraction thereof irrespective of the number employed and of the fact whether separate urinals are provided or not.

Non-flush-out system of latrines.

A. Males.- (i) Where the number of operatives does not exceed 50, three seats.

(ii) Where the number of operatives exceeds 50, one seat for every 20 operatives or fraction thereof.

B. Females.- Same scale as that for males.
